At John Colet, we are extremely pleased with how we compare to other local and national schools.

Value added between KS2 and GCSE in Maths	<ul style="list-style-type: none"> ▪ Top 23% of schools in England

I am sure that everyone will agree that these are achievement and attainment levels to be very proud of.

Years 10, 11, 12 and 13 are well aware of our expectations of them to improve on these results this year.

Good luck to all of our students who are taking any external exam this year.
