20 October 2011

Dear Parents/Carers

## Friends of Colet – they need you!

You will be aware that at John Colet, our parents association is called Friends of Colet (FOC). Over the last 5 years, they have provided the following funding:

Minibus	£1500
Sports Equipment	£9000
Laser cutter for Technology	£10000
Printing equipment for Art	£2700
Printing equipment for Technology	£2500
Quiet garden furniture	£2000
Refurbishment of Science Prep Room	£10500
Whiteboards and Projectors in English	£10000

**Total in the last 5 years**                      **£48,200**

Very sadly due to lack of parental interest, it looks like FOC is going to have to fold. This means that resources that we could not afford from the school's budget will no longer be available to your child. The items above are taken for granted by students but would not have been possible without FOC.

The current committee is small but has been extremely dedicated to fundraising as you can see from the items that have been purchased. We really need new committee members so that FOC can keep supporting the work that we do in the school. Without new members, FOC will fold after Christmas.

It is not a huge time commitment as FOC run a small number of events each year.

I would ask anyone who is interested in joining the committee to email me on [office@johncolet.co.uk](mailto:office@johncolet.co.uk)

Please do seriously consider if you can help FOC by joining the committee. FOC makes a huge difference to the quality of education that we offer at John Colet. Without FOC, it is ultimately your child's education that will lose out.

Yours sincerely

**Christine McLintock**  
Headteacher
