Sept 2009

Challenges for the coming year.

Over the past year our hardworking PTA have organised a number of events to raise money to purchase items that could not be funded from the normal school budget. We reached our target and were able to purchase the printing equipment for the Art department which was delivered in early July and will already be in use by students throughout the school in their Art lessons. We hope to be able to display some of this work at events later in the year.

This September a number of committee members who have provided long and loyal service will be moving on and we are faced with an urgent need for new helpers to continue our work and give us some fresh new ideas for fundraising.

If you feel you could offer to help at one of our events, or on a more regular basis we would be very glad to hear from you at office@johncolet.co.uk.

Please feel free to drop in on us on 6 October at 7.30 pm in English 1 where we will be reviewing last year's activities and discussing our fundraising plans for the next year.

We have two new events planned this year - the Promises Auction and a Summer Fayre which we hope will become a big annual fundraiser so please come along and support us.

If you are unable to attend one of our events, a contribution is always welcome but of course we would love to see you there!
