Dear Parents / Carers

Your son / daughter will be taking part in a Year 10 Learning Performance Day on either the 7th or 8th of May. This day will develop their personal study skills and ensure that they have all the skills necessary to successfully achieve a high standard of revision for the important Mock Examinations in November and the GCSE Examinations in the summer 2010.

We used the Learning Performance Team, a professional company that specialise in Learning Performance Days with our Year 11 students in January of this year. The students were very complementary about the Learning Performance presentations and felt that they had learnt a lot from the day.

To further support your son / daughter in the development of their study skills, we would like to invite you to a Parent / Carers Evening Presentation by the Learning Performance Team on Thursday 7th May at 7pm in the Main School Hall. Your attendance is important as it will give you an understanding of how you can support your child with the preparation for their GCSE Examinations.

I hope you will be able to attend and I look forward to welcoming you on the 7th of May at 7pm.

If you have any queries about the Learning Performance Days please do not hesitate to contact me.

Yours sincerely

Mrs Jan Firbank
Assistant Headteacher for Teaching and Learning
