Dear Students and Parents/Carers,

The time of year has arrived when I am proud to provide you with the information you need when considering the John Colet School Sixth Form. It is wonderful that you are considering joining us; with a new and bespoke Sixth Form Centre and an expanding Sixth Form, it is an exciting time. Within this letter you will find the information you need to discover which courses are on offer, what life in the Sixth Form entails and the process for application.

You are warmly encouraged to attend our 'Into the Sixth' evening on **Thursday 12 November 2026** from 5pm to 7pm.There will be an opportunity to hear from the Head of Sixth Form as well as a number of current students. You will also be able to visit the Hall, where each department will be hosting a table promoting their courses, with current students and the teachers who deliver them. The Sixth Form Centre will be open to allow you to find out about all our extra-curricular, pastoral and careers provision. You are encouraged to read our **2027** prospectus in advance of the evening; this will be available online from **Monday 9 November.**

You are invited to attend the talk from the Head of Sixth Form and students at either 5pm or 6pm in the Lecture Theatre. In order to secure a place at either of these talks, you will need to click here to reserve a free ticket. **Tickets are available from Thursday 22 October 2026 at 6pm and tickets close at 5pm on Wednesday 11 November.** If tickets for the talks sell out, you are still welcome to attend from 6pm to visit the Hall and meet with students and staff. There is a maximum of 3 tickets per applicant for the talk.

Our online application system, Admissions+, will be open to accept applications from **Thursday 12 November**. Applicants will be invited to express interest by choosing 4 subjects (your top 3 choices and 1 reserve choice). This will enable the creation of option blocks based on the majority of students' preferences. This is a key element of how the JCS Sixth Form works differently to other local sixth forms and for the benefit of our students. Entry requirements can be found in the prospectus whilst the option blocks for September 2027 will be announced on our website towards the end of the Autumn term. You will be invited to go online and make your 3 course choices and officially apply for a place for September 2027.

I do hope you find all the information shared with you both helpful and inspiring. If you have any questions, please do contact us on sixthformadmissions@johncolet.co.uk in the first instance. I look forward to supporting you on your journey to being a John Colet Sixth Form student.

Thank you for taking the time to learn more about our Sixth Form,

Ms Fanchi
Assistant Headteacher and Head of Sixth Form
