

**Assistant Subject Team Leader of Mathematics**  
**TLR2b £4,812 or TLR2C £6,829 if suitable qualified**

**Accelerated pay progression for outstanding teachers**

Required from September 2020

**Our strong collaborative ethos is reinforced every Tuesday afternoon** when we close our school to students so that the last timetabled lesson is dedicated to departmental lesson planning.

Being able to plan lessons in advance, with time to review classes delivered and work submitted by students, is just one of the reasons teachers love working at John Colet School.

Other reasons teachers work at John Colet School (Ofsted rated – good) include;

- Good work/life balance
- Being appreciated and recognised for a job well done
- The support from colleagues and SLT
- Respect and politeness from students
- Range of resources and support available to help achieve personal and professional goals
- Coaching and CPD workshops
- Lovely setting/environment (with plentiful, free staff parking)
- Revision sessions are well received and attended by students
- Knowing every student well and being able to offer individual support
- Staff and pupils feel safe
- Equality and diversity in the workplace is practiced
- Accelerated pay progression for outstanding teachers
- A wide variety of trips and extra-curricular activities (please see our website)

If you think life at John Colet School would suit you, then we are looking for an innovative teacher who enjoys planning exciting lessons for their classes to join us from September 2020.

As the Assistant Subject Team Leader you will be an integral part of taking our Mathematics department on to the next stage of its development. We are a supportive team which has a culture of sharing teaching strategies and resources. We are well resourced with our own suite of rooms; all with modern technology as well as a new set of 34 student Chromebooks and one for every teacher, installed with Maths Apps.

You will be able to teach throughout the age and ability range (we have A Level maths classes in both Year 12 and 13, together with further maths) and make your

mark on the continued success of the subject (with 9-4 at GCSE reaching 77% in summer 2019 and 12% of students achieving Grade 9-7).

Most importantly, you will be committed to excellence for your students, your colleagues, yourself and John Colet School.

Please visit our website for an application form and further information.

Closing date 9am Friday 22 May 2020

Interviews: remote interviews will take place shortly after the closing date.

*The John Colet School takes the safeguarding and wellbeing of students seriously and this post is subject to an enhanced Disclosure & Barring Service check and Qualifications check.*
