Monitoring and Reviewing

This policy will be formally reviewed by the Governing Body every three years. Ongoing monitoring of actions and impacts/outcomes will be reported to Governors in the termly Headteacher's report.

Introduction

The Governing Body has adopted this procedure to manage concerns or complaints from members of the school community or general public.

Aims and Objectives

- We aim to be fair, open and honest when dealing with any matter and to resolve it through open dialogue and mutual understanding.
- The school considers any concerns very seriously and we hope to resolve problems at a very early stage.
- Careful consideration will be given to all concerns and complaints and we will deal with them as swiftly as possible. We will provide sufficient opportunity for any complaint to be fully discussed.
- In all cases we will put the interests of the child above all other issues.

Areas not covered by this procedure

This procedure does not apply to issues concerning the curriculum, collective worship, admissions, exclusion appeals, whistleblowing, decisions about your child's special educational needs, matters likely to require a Child Protection Investigation, complaints about services provided by other providers who use the school premises/facilities or grievances by school staff. These are the subject of separate complaints procedures. Copies of these procedures can be obtained from the school.

In addition, Ofsted has the power to investigate certain (qualifying) complaints about schools, including those from parents/carers. A qualifying complaint is one that affects the whole school, not an individual. More information can be obtained from Ofsted.

All other complaints are handled by the school according to the arrangements set out below.

Stage 1 What to do if you have a concern.

If you have any concerns about the school, or the education we are providing at any time, please discuss the matter with your child's form/subject teacher, Head of Year or the relevant Subject Team Leader at the earliest opportunity. Do not publicise any concerns you have on social networking sites, but speak to someone at the school as soon as possible.

The school considers any concerns very seriously and most problems can be resolved following discussion and a shared understanding of the issues. All members of staff work very hard to ensure that each child is happy at school and is making good progress and they always want to know if there is a problem so they can help to resolve it.

Most concerns can be resolved at this level, however, if after speaking to your child's form/subject teacher, Head of Year or the relevant Subject Team Leader, you are still concerned, please discuss the matter with the Headteacher.

Stage 2 What to do if your concern is not resolved at Stage 1 and is now a complaint

Most concerns are resolved at Stage 1, however if you remain dissatisfied and wish to take the matter further you will be asked to complete a complaint form (Appendix 1).

Complaint Form

The aim of the form is to ensure each party has a clear and common understanding of the complaint and includes a section on what actions might resolve the problem at this stage. It can be used by anyone making a complaint about the operation of the school which is not covered by an alternative procedure.

We are happy to provide the assistance of someone unconnected with the complaint, if you would like support in completing the form.

The form (see Appendix 1) should be returned to the Headteacher, unless the complaint concerns the Headteacher or a Governor, in which case it should be returned to the Chair (or the Vice Chair of Governors if your complaint is about the Chair of Governors) of the Governing Body at the school address, marking the envelope 'FOR IMMEDIATE ATTENTION'.

You will receive an acknowledgement of the receipt of your complaint form within 5 working days.

Investigation

An investigation will be carried out into the complaint and the way it has been handled by the school. This will include a review of any relevant documentation and information and seeking the views of relevant people, where necessary. The person undertaking the investigation will normally write to you with the outcome of this process within 15 working days of receiving the complaint.

If, at any time, it becomes apparent that the complaint is a staff disciplinary or capability issue, the matter will be dealt with by following the appropriate procedure rather than the complaints and resolution procedure. You will be notified if this is the case with your complaint, however, you are not entitled to know which procedure, or the final outcome, because of the right to confidentiality of the member of staff involved.

If, following the outcome of the investigation, you feel your complaint has not been resolved, you may choose to refer your complaint to Stage 3 of the procedure. This must be done in writing to the school within 15 working days of the completion of Stage 2.

Stage 3

At this stage the complaint will be considered by a panel of two governors and a person who is independent of the management and running of the school, who will meet to

consider the complaint and make a final decision about it on behalf of the Governing Body.

The two Governors will have no detailed prior knowledge of the complaint, or connection with the complainant. The meeting will normally take place within 15 working days of your request.

You will have the opportunity to submit written evidence on the complaint prior to the meeting of the panel and also to attend, accompanied by a friend/partner if you wish, to put your case. Legal representation would not normally be appropriate. The Headteacher will be given the same opportunities. Appendix 2 outlines the process that will be followed at a panel hearing.

Outcome of the Panel Hearing

The panel will write to you with its conclusion within 5 working days of the meeting, and its decision is final.

If you are still not satisfied, you may wish to put your complaint to the [Department for Education](#).

Unreasonably persistent complainants and unreasonable complainant behaviour

Unfortunately, in a minority of cases, people pursue their complaints in a way which can either impede the investigation of their complaint or can have significant resource issues for the school.

These actions can occur either while the complaint is being investigated, or once the school has concluded the complaint investigation.

In such cases, the school will observe the Department for Education's [Guidance on Serial and Persistent Complainants](#).
