## Judo Champion

Jessica in Year 7 represented the John Colet School at the British Schools Judo Championships in Sheffield in March.

She qualified through the regional trials late last year and was competing in the year 6/7 under 44 kg category against the other regional qualifiers.

She had an excellent day winning all her fights in style beating players from Scotland and England on route to the final where she faced the welsh champion to take Gold.

Jessica is quite humble about her achievements but we are very proud of her achievements representing JCS!

## U13/U15 Badminton v Royal Latin School

On Tuesday 25 February Royal Latin School visited JCS.

Unfortunately JCS lost 3-1 in a tough battle against Royal Latin School. Everyone played well and were supportive of one another in true JCS spirit. Notably Charlie Mailey and Fintan Shanahan won their singles matches with some outstanding rallies. All players were unfortunate not to come away with more. Well played JCS.

## Congratulations to Ben Tompkins

Ben has played for Barnet FC academy since U12's as a centre back, Ben has had a great season and this has been noted by Barnet and he has played up for the U18's team. He has been offered a two year scholarship starting in June and then when he turns 17 he is tied into a Professional contract.

Ben has enjoyed some great matches this season, one particularly playing at the Vitality Stadium in Bournemouth in an Under 18's Cup Match.

## Introducing Squash

JCS students took part in a friendly squash match against Sir Henry Floyd Grammar School which proved to be very successful.

Jon Atkinson and Trisha Malliff are looking to re-introduce squash as an extra-curricular activity in the summer of 2020-2021 with the intention of having teams compete in the National Schools Squash Competition.

If your son/daughter is interested, please ask them to come and see Mr Atkinson or alternatively email him on: [jatkinson@johncolet.co.uk](mailto:jatkinson@johncolet.co.uk)

## Year 8 Boys Football

On Monday 9 March JCS boys went away to Waddesdon School.

John Colet had a tough first half conceding 4 goals in the first half. At the beginning of the second half they conceded again. After a change of tactics and morale the team brought the score back to 5-3 through goal scorers Josh M, Will B and Charlie J. John Colet had control of the game and could have seen the net half a dozen more times but could not quite get the score line back in time. Despite the challenging conditions in the second half the boys played well. Final score: JCS 3 – 5 Waddesdon.

## Year 10 Football

On Tuesday 10 March, Year 10 boys played Buckingham School.

Both teams played good passing football in tough conditions.

JCS unfortunately lost 4 - 2 with Kyle scoring the best team goal of the game.

Unlucky boys!

## AQA GCSE PE Revision Conference

On Wednesday 11th March, 36 year 11 GCSE PE students travelled to the Emmanuel Centre, London to attend a GCSE PE revision conference. It was a very beneficial day for all of the students. It provided each student with an valuable insight into the potential questions that may be on this years paper, revision tips, help with how to answer long answer questions and the students were provided with a number of different ways to remember key information. The day was delivered by three key examiners of the AQA syllabus and the authors of the GCSE text books. We hope that the benefits from attending this trip will be presented within their GCSE results in the summer.
