Aims

A high standard of personal appearance is expected of all students. Through our uniform and dress code we aim to:

- Encourage pride in the school
- Support teaching and learning
- Enable students to be comfortable, safe and secure
- Ensure that students and staff of different social, religious and ethnic groups feel welcome
- Encourage a sense of equality and cohesion
- Protect students from social pressures to dress in a particular way
- Ensure students present the school in a positive way within the community
- Encourage greater individual responsibility for personal presentation as students move from compulsory to post-compulsory education

In this way, the uniform and dress code contribute to the overall aims of the school. The policy applies to school trips when uniforms are to be worn.

Cost of uniform

We want to ensure that the cost of uniform does not deter any student applying to the school, nor lead to students feeling socially excluded or unable to afford other necessities. Parents/carers who are unable to provide their child with the required items of school uniform should contact the Headteacher. Such approaches will be handled with discretion and sensitivity. The uniform supplier, costs and quality of the uniform are reviewed annually to ensure that it provides good quality clothing at an affordable price. Parents/carers are regularly consulted on their views in this respect.

Enforcement of the uniform policy

It is the responsibility of parents/carers to ensure that their child comes to school in the correct uniform and they are expected to buy a uniform that complies with the school's policy. Form tutors are responsible for monitoring uniforms; all staff are responsible for ensuring that students are correctly dressed in class and elsewhere on the school site.

Students not wearing the correct uniform will be liable to sanctions in line with the school's behaviour policy. Students in uniform that cannot be rectified may not be able to attend lessons. In the event of repeated uniform infringements parents will be contacted and the student will risk being sent home. In the case of jewellery and other accessories, the student will be asked to remove the item, which will be confiscated. A parent/carer will then need to come into school to collect the item in line with school policy.

The Headteacher is the final arbiter in all matters of uniform and dress.

Issues arising from the policy

Parents/carers should raise any issues relating to school uniform, dress codes or other

aspects of appearance with the Headteacher. Requests to vary the uniform requirements for particular reasons, such as medical needs, will always be carefully considered.

Students should raise issues with their tutor and Head of Year; they may also request that uniform matters, including proposals for change, be put onto the agenda of Year and School Council meetings.

In the event of extreme weather conditions the Headteacher may vary the uniform requirements for a limited period.
