## [Unifrog – The Complete Destinations Platform](#)

Dear Parent / Carer,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog, an award-winning, online careers platform. All students in Years 10, 11, 12 and 13 now have access to this excellent website using their own log in. If you have other children in Year 7, 8 and 9, be reassured they will be issued with a log in in due course.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs and every college within both Oxford and Cambridge Universities. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities by writing their personal statement, applications and CVs and guiding them through the process, allowing teachers to give live feedback.

**Students access the tool for the first time using a sign-up code which is unique to their form group.** They then login using their email address and password and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your child. The form code you need is: **parentsjohncolet** and you can sign up here: [www.unifrog.org/code](http://www.unifrog.org/code). The form code is only needed at the first login. After this you will sign in with the email and password you choose.

On the reverse of this letter you will find the information needed to get started with Unifrog. For more information, either go to [www.unifrog.org](http://www.unifrog.org) or contact your child's form tutor.

Yours faithfully,

Mrs D Fanchi  
Assistant Headteacher - Head of Sixth Form

Follow these simple step by step instructions to get started...

1. Log onto [www.unifrog.org](http://www.unifrog.org)
2. Select the 'SIGN IN' box in the top right corner.
3. Choose 'SIGN IN FOR THE FIRST TIME' (highlighted below)

4. Type in the form code **parentsjohncolet** and sign up using your email and own choice of password. These will be the details you use to access the system from now on. (Don't worry that it says 'student sign in'; this is the correct place for parents.
5. You are ready to LOG IN and explore the platform with your child!

Start by using the 'Careers Library' tool to search for profiles and by subject choices. The 'Know How' tool will explain the various pathways open to your son/daughter.
