March 2019

Dear Parents and Carers

Year 11 Celebration Assembly and Study Programme

Celebration Assembly

As a way of celebrating the last five years spent at John Colet School, we will be holding a celebration assembly as a chance for students and tutors to get together and wish each other well for the upcoming GCSE examinations. This event will be on Friday 10th May 2019 at 8.30am - 10.30am. The assembly will be followed by light refreshments in the hall, hoodies should also be available to collect at this time for those who have ordered them. Shirt signing can take place during the time set aside for refreshments, not before the assembly.

Study Programme

From Monday 13th May students will be participating in a structured programme of revision and exam preparation when not sitting GCSE examinations. We expect all students to attend school for this important final preparation. Students will no longer be following their normal timetable and will instead have a bespoke timetable of revision sessions issued to them to help in preparation for their exams.

Each student will be issued with their own personal timetable of revision and exams, this will also be emailed to all parent/carers. The timetable will indicate when students can study at home after Thursday 23rd May.
